## Machine Shop Technician

Minn-Dak Farmers Cooperative is seeking a full time, year round Machine Shop Technician to perform precision machining and repair of new and used parts. This position reports directly to the Machine Shop Supervisor.

### Essential Job Duties

- Identification and repair of worn and broken parts
- Learn the factory system and equipment locations
- Machining and manufacturing of new parts and equipment

### Qualifications

- Two year certificate or diploma from an approved trade or technical school; or five to six years of progressively more responsible on-the-job experience in a machine shop (maintenance and/or manufacturing systems desired); or an equivalent combination of training and experience. Manual machining with some CNC experience preferred.
- Should be motivated, willing, enthusiastic, and promotable.
- Ability to communicate and work cohesively with others.

Starting pay: \$26.83 per hour. Comprehensive benefit program including: health, dental, and vision insurance, sign-on bonus, 401(k) plan, vacation, paid holidays, and after one year pension plan, life insurance, and LTD insurance.
